

Rev. L. H. Tipton of East Fifth street has been a victim of rheumatism for several days.

Mr. Charley Schenault of Cincinnati, O., was the pleasant guest of Mr. and Mrs. L. H. Tipton of East Fifth street yesterday.

You may draw that \$20 in gold at Rink tonight.

Today is the last day for the payment of February 1st gas bills.

The Banks of Maysville will all close next Friday in honor of Lincoln's centennial birthday.

Gen. Addison White, former member of Congress from the Eighth Kentucky District, died Thursday at his home at Huntsville, Ala., aged 85. He had devoted himself to farming in the South for the past several years.

A WOMAN'S APPEAL

To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbago, backache, pains in the kidneys or neuralgia, to write to her for a home treatment which has repeatedly cured all of these troubles. She feels it her duty to send it to all sufferers FREE. You cure yourself at home, as thousands will testify—no change of climate being necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood and brightens the eyes, giving elasticity and tone to the whole system. If the above interests you, for proof address Mrs. M. SUMMERS, Box R, South Bend, Ind.

THE LEDGER leads in all, and is the favorite paper of the people.

WASHING WITHOUT WATER

Is Like Trying to Get Rid of Dandruff Without Herpelide.

Did you ever see any one trying to wash themselves without soap or water?

If you did what would you say of him?

It is every bit as foolish to try to get rid of dandruff and to prevent baldness by feeding the germs which cause it, with Cantharides, Vaseline, Glycerine and similar substances which form the principal ingredients of most so-called Hair Growers.

Newbro's Herpelide is successful because it attacks and kills the parasitic germ which feeds on the hair roots.

It is the original and only genuine scalp germicide manufactured.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpelide Co., Detroit, Mich.

DEATH'S CALL

Fa. Captain Passes

A. Louis

St. Louis, Mo., Feb. 5.—Captain William Baxter, for forty-three years Captain and Mate of lower and upper Mississippi and Missouri river steamboats, died at 3 o'clock this afternoon at his home, 3420 Missouri avenue, after an illness of a week. He was born at Maysville, Ky., December 26th, 1842.

During the Civil War he was foreman of Federal provision wagons in Kentucky. At the close of the War he came to St. Louis and became a ship-repairing contractor. In 1875 he became a Captain and ship carpenter in the Federal Engineering Department. During the high flood in the eighties he won fame in rescuing thousands of people whose homes were inundated. Again in 1903 he did similar work. In the last eight years he was master of a tugboat working between the mouths of the Missouri and Ohio rivers.

For Sprains

Sloan's Liniment is the best remedy for sprains and bruises.

It quiets the pain at once, and can be applied to the tenderest part without hurting because it doesn't need to be rubbed—all you have to do is to lay it on lightly. It is a powerful preparation and penetrates instantly—relieves any inflammation and congestion, and reduces the swelling.

Sloan's Liniment

is an excellent antiseptic and germ killer—heals cuts, burns, wounds and contusions, and will draw the poison from stings of poisonous insects.

Price, 25c., 50c., and \$1.00.

CHILD BURNED TO DEATH IN CRADLE

Sparks From Log Fire Ignite Covering in Mother's Absence From Room

SHARPSBURG, KY., February 5th.—William, the one-year-old son of Mrs. Edna Perkins, was burned to death this morning by a spark, which set fire to his coverings. He had been left by his mother in his cradle in front of an old-fashioned fireplace with a roaring fire of large logs. When found life was extinct and the body burned beyond recognition. The chair nearby was destroyed, but the house was saved.

"THE WITCHING HOUR"

Charming and Realistic Play—A Triumph in Dramatics

Last night, at the Washington Theater, Maysville people were given an opportunity of witnessing the very highest order of the first-class modern American drama. "The Witching Hour," by Augustus Thomas, the second Schubert attraction to visit Maysville, scored a triumph in settings, acting and realism never before exceeded or even equaled in our local Opera-house.

The scene is laid in Kentucky and is built upon love and politics, with the Goebel-Taylor Governor tragedy as the theme. The play is so masterly written and the plot so mysteriously woven with truth and home realism that when the curtain fell one is fully satisfied, yet the mind is still charged with wonder at the thing.

Story last night is a revelation of the workings of Kentucky politics and of a high-class sporting society, without the usual horseplay of bloviating Kentucky Colonels, horse racing, pistols and coffee.

The stage furnishings, paintings, etc., were very effective and beautiful, and what with the charm and realism of the historic Kentucky story and the inspiration of the able author, the memory is impressed with a morale and a sermon which is certain to sink deep into the minds and hearts of every person who may be elevated by a play worthy of the name. Mr. Charles Mailles as "Justice Prentice" was the ideal Associate Justice of the Supreme Court, while the leading man, Mr. Howard Gould, and Miss Eleanor Barry, in the leading female role, were at their best and filled every feature of stage work.

"The Wolf" is the next Schubert show here next Wednesday night, February 10th

THE CONSTIPATION EVIL

Is Responsible For Most Cases of Piles

Constipation paralyzes the blood vessels of the lower bowel and often causes piles. Women and all other indoor workers are the most frequent sufferers. But curing constipation alone won't cure piles. A special medicine is needed—internal treatment to strengthen the flabby veins and start pure blood circulating. Dr. Leonhardt's Hem-Roid is the only internal pile cure. Sold under guarantee. \$1 at J. James Wood & Son's, Maysville, Ky., or Dr. Leonhardt Co., Station B, Buffalo, N. Y. Write for booklet.

WHAT THE KIDNEYS DO.

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily; when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

Frederick Dressel, 1238 East Second street, Maysville, Ky., says:

"I consider Doan's Kidney Pills a most excellent kidney remedy, and I am only too glad of an opportunity to speak in their behalf. About five years ago I was bothered by kidney trouble. The kidney secretions were attended with much pain during passage and were very irregular in action. Severe pains across the small of my back were of frequent occurrence and at times greatly interfered with my work. A friend advised me to use Doan's Kidney Pills, as he had taken them for a similar trouble with the best of results, and I procured a box at J. J. Wood & Son's Drugstore. I used them strictly according to directions and they afforded me prompt and effective relief."

For sale by all dealers. Price 50 cents. Foeter-Milburn Co., Buffalo, New York, sole agents for the United States.
